Dear Friends,

As many of you will know, I shall be stepping down as vicar of Shottesbrooke and White Waltham at the end of June, to be replaced by the Revd Dave Atallah. You can read more about him elsewhere in this magazine (page 5). But it means that this will be my last letter for the magazine.

So it is tempting to look back over the 20 years that I have been here.

And when I do, then perhaps the most obvious change is the way in which computers (now in the form of the smart phone) and the internet have become such a huge part of almost everyone’s life. I wrote my first magazine letter on an ancient Macintosh computer that boasted a whole 40 MB of hard disk capacity. Now just my internet browser takes up more than four times as much space. And I passed the letter on to the then editor on a three and a half inch floppy disk ( Anyone remember those?), because email was still a very rare thing indeed. Google had not yet appeared on the scene (it was founded 6 months later), and we had to wait another 6 years before Facebook made its debut. Nobody could have guessed the way in which many people’s lives would come to revolve around the products of those two companies. They bring enormous capabilities — but I’m not at all sure that we know how to use those capabilities wisely.

Too often, many of us do things online because we can, but they don’t bring us any real benefit for the time we spend doing them. Facebook and other social (continued over)
media can easily make us slaves, always needing to post or tweet in order to maintain our carefully cultivated online status. And the result is that our lives are fuller than they have ever been.

But I don’t think that’s what Jesus had in mind when he said that he had come to give us life which would be enjoyed to the full (John 10:10). Just because our lives are full doesn’t mean that we are fully enjoying them, in the way that God made us to. In fact if you ever find yourself complaining that you’re too busy then you almost certainly aren’t enjoying life to the full.

So why do we do it? Partly out of habit, I would guess. But partly also because, at some level, we really do believe that cramming more into our lives (and the lives of our children) will somehow make them more fulfilled. And that’s the really big mistake.

Because our lives will only truly be fulfilled when they are used in the way that God intended. I am reminded of something else that Jesus said, to the religious leaders of his day. They filled their lives with studying the Bible, because that was what they thought would bring them life. But somehow they managed to miss the point. “That Bible points to me,” Jesus said to them, “but you refuse to come to me to have life.” (John 5:39-40)

Unlike the Bible, the things we fill our lives with today were never meant to point us to Jesus. But that doesn’t stop us looking to them to bring fulfilment (for why else do we do them?). But they don’t — indeed they can’t.

Because it’s only in coming to Jesus that we can really find fulfilment, and enjoy to the full the life that he came to bring. Why not try it?

David Andrew

Revd Dave Atallah

As mentioned by David Andrew in his letter on the opening pages of this magazine, Revd Dave Atallah is taking over as vicar of Shottesbrooke and White Waltham churches at the beginning of July.

Dave Atallah is married to Helen who is trained as a paediatric nurse. They are parents to 3 children; Melody, Catherine and Jonny who are all at school in Woodlands Park where Helen is also a governor.

Dave’s background was Medical Physics, before changing ‘career path’ to be a youth and children’s minister at a church for 6 years and then being ordained priest in the Church of England. The family moved to Maidenhead from Devon in September 2015 and you may already have met him in White Waltham; taking assemblies at both the parish primary schools, leading at the monthly messy church meetings, at the community events, or on the school run at Woodlands Park School.

Although Dave will take on the role of vicar here from July the family will probably not move into the parish until November. Until then the vicarage phone number remains unchanged for general business, so Dave can be reached via 01628 822000 or waltham.vicar@btinternet.com.

We are planning to interview Dave sometime in the next few weeks and will feature that interview in the August-September edition of this magazine to help you get to know Dave a little bit better.

Tales from the Bells

The ‘Beast from the East’ and the ‘Mini Beast from The East’ now seem to be a distant memory but just missed the last Parish Magazine. We went up to ring the bells for Sunday service at White Waltham and when we started to ring them we noticed something white floating down. It didn’t take us long realise what it was and on inspection in the belfry we came across snow which had drifted through the louvre boards onto the bells and on the floor under the bells. Pictures are available to see on our Facebook page @whitewalthambellringing

In April we rang a quarter peal to celebrate Simon’s 40th Anniversary as a ringer since he first learnt to ring. He started to learn at the age of 13 after a recruitment campaign run by the then tower captain, the late Les Pearson. According to records held, Simon had his first lesson in January of 1978 and in the April was elected a member of the Oxford Diocesan Guild for Church Bell Ringers. Simon chose the 5 other ringers of the band as they were people that he has rung together with since he learnt to ring. Only 6 ringers were needed so he would still like to thank all other ringers for their teaching and guidance. The Quarter Peal, details below, was also linked to the Centenary of the RAF.

White Waltham CE Academy

It has been one busy Summer Term and we still have so many exciting events to pack in as we race towards the end of the term! Last year we had the ‘Superhero’ Challenge day where children dressed up as Superheroes to take part in an obstacle course. This year on 4th May, all the classes took part in a nautical themed ‘Walk the Plank’ challenge which also tied in nicely with their curriculum topic of ‘Pirates’. Children competed against the clock and parents/carers were invited to support their children as different classes competed throughout the school day in allocated time slots. Sponsorship money raised through this challenge will be shared equally between Ashley-Hill Multi Academy Trust and Alexander Devine Children’s Hospice Service based in Maidenhead.

Children from Year 3 also went on a trip to Danesfield School in Marlow to take part in an exciting ‘Sing, Perform and Inspire’ workshop run by Chiltern Music Academy. Children enjoyed the workshop tremendously as they sang lots of new songs and were very keen to share their songs with their friends at school when they came back from the trip!

One of our themes this term is the Royal Wedding of Prince Harry and Megan. Children have been enjoying making wedding dresses out of newspapers and other materials. They have also been learning about different cultures in the context of weddings. Key Stage 1 children from Ashley Hill Multi-Academy Trust participated in and enacted a mock Hindu wedding at ‘India Day’ and this event included dress up and dance session, Indian food tasting, dressing teachers in sarees, ‘Rangoli’ patterns using chalk and colours, decorating elephant and mango motifs, and having henna applied on their hands. Mums also cooked delicious Indian food and snacks for children and staff to taste. We are very fortunate to be in a school where parents/carers are involved in bringing a sense of community to all our events, activities and fundraisers.

Lions Club Train Ride – Raffle – Tombolas –
Face Painting and much more!!!

Waltham Road, Maidenhead SL6 3SG
We don’t have just one fun event but two to celebrate the Royal Wedding! Ashley Hill Multi-Academy trust will be holding a Street Party at Bisham CE Academy on Friday 18th May and children from Knowl Hill CE Academy and White Waltham CE Academy will be transported to Bisham for the Street Party. There will be special party picnic platters that children can choose from along with bouncy castles, party games, photo dress up booths and face painting sessions. The event will finish with a special Collective Worship assembly led by Year 3 children from all three schools to which all parents/carers have been invited.

As a Church of England school, our Christian values form the foundation of our teaching. Every term we celebrate a special value like ‘Forgiveness’, ‘Compassion’, ‘Courage’ etc. Our values for this term are ‘Service’ and ‘Perseverance’ and we have been actively encouraging these values amongst our children and school community. Parents/carers have been sending in stories of their children displaying acts of service towards their siblings or other members of the family so that they can be nominated for Model British Citizen (MBC) awards at school which are given out during Collective Worship assembly. It has been so lovely to give out these well-deserved awards to our pupils for exemplary and selfless acts of service towards their peers and larger community outside school as well as showing perseverance in different areas of their life.

Next week is SATs week which sees the culmination of all the hard work put in by our Year 6 pupils. We are wishing them the very best for their SATs tests as they write them. They will then have their residential trip at Bude, Cornwall to look forward to after SATs where they will enjoy lots of fun activities like surfing, rock pooling etc. Years 3, 4 and 5 will also be going on their residential trips at Hooke Court in Dorset and Wales. All the children are eagerly waiting in anticipation!

We have so much to look forward to – Summer Fayre, Sports day, Dads in School, our summer production - ‘Peter Pan’. You are always welcome to visit our school and see our children and staff in action. Please call the school office to make an appointment. You can also visit us on www.whitewalthamschool.co.uk to learn more about our academy.

With the April Showers behind us Summer is here and Cricket is back in White Waltham!

**Club**
The bar renovation is making great progress and will have a grand unveiling soon so keep an eye on our Facebook page for updates. Our annual Charity game vs The Beehive is scheduled for Sunday 1st July.

**Senior Cricket**
We are pleased to say that winter recruitment has been a success for the club and we are stronger than ever heading into our first season of Thames Valley League Cricket. This means we will be able to put out two strong league teams on a Saturday and a Friendly Sunday side. On select weekends we will also be promoting developments games: these are mixed colts/senior sides to provide a path to senior cricket for our budding youth.

**Junior Cricket**
As an ECB Clubmark accredited club White Waltham are proud of our thriving junior section where we have a great blend of boys and girls. We are able to offer quality coaching for a wide range of age groups.

**Coaching and fixtures for:**
- 5 – 7 years; “All Stars” ECB Intro to Cricket.
- U9, U11 and U15’s; Coaching and League Matches.
- U17’s Development XI; Friendly Matches with local clubs.

Our lives are made up of them!
We change our cars, our TVs, our homes, our schools, our jobs.
As we move into different situations, we change our friends, pick up new ones or don’t see so much of old ones.

In our social lives, we may join a new club, take on a new hobby or change our diet because the medical profession encourages us to live more healthy lives.

It may be a change for our sports team for some of us – the squeaky whatsit time – will we win & get promoted or will we lose & get relegated? Or if we play in a team ourselves, perhaps the manager wants us to take on a new role as striker instead of goalkeeper! (My Wimbledon team just managed to stay in League Two and so avoid that change!)

In our families, we have weddings, when massive changes take place as two families celebrate together. The same with babies, a new life brings enormous changes to parents and other family members. And sadly too when families lose a loved one, very difficult changes take place.

Have you ever thought what changes took place in the first century?
The arrival of this God-Man, Jesus, and the changes that his life and death made to both his close friends and his sworn enemies? Whatever you think of Jesus, there’s no doubt that his life and death made such an impact that he changed history!

But what happened next? After Jesus death, God raised Jesus to life on that first Easter Day, so demonstrating that sin and death could be overcome! That was another change in the course of history!

Moreover at Pentecost (celebrated on May 20th this year) a further remarkable change took place. The disciples, perhaps disillusioned and frightened, had hidden away in an upstairs room. Then God sent his Holy Spirit and they became changed people! Now full of purpose, bold and wanting to share the Good News about Jesus, their Saviour, they spoke to people from many nations in their own languages! (Read about it in the Bible in Acts chapter 2)

Change? Wow, not half!

How about you?
Want to find a real meaning to your life and change?

A group for babies and toddlers with their parents/carers

We meet from 9.00 – 11.30am on Mondays during school term time. Come when you can, go when you must – we have a lot of toys out for free play, as well as a craft activity, and at about 10.15 we gather together for singing and a story followed by a snack.

We meet in The Tree House, which is located in the churchyard at White Waltham Church. Some parking is possible at the bottom of Church Hill, and more spaces are available in the yard of Bury Court Antiques (Alistair Price).

We would love to see you!

Harmony

I have checked out that in UK there is an organisation on-line called Harmoney... which offers financial advice. Here in New Zealand, we also have an on-line site called Harmoney which seeks to put an individual who wants to borrow money with someone else who wants to lend. But that is not the Harmony (no ‘e’) which I want to write about.

What do you understand by the word ‘harmony’? Let’s think about one possible meaning particularly in view of the fact that the Eurovision Song Contest has just happened (and yes, even down under we still hear about that!). Yes in all forms of music from choirs, orchestras and pop music groups, harmony can be very important. When there is even a small “wrong note” the result is disharmony and everybody notices that there is something wrong.

Right now we have a couple living with us in our home because they have been evicted and have yet to find a new place. As you can imagine, living together in close company could well produce stresses and friction or worse but, thankfully, this has not happened. They are good friends of ours and we have known them for several years. We are all living together in harmony.

But there is one very special harmony which is much more important than anything else. Sadly the huge majority of people all over the world fails to recognise it. Now I can only write about what I see happening here in NZ. Our prisons have more inmates than ever before, the number of broken families is on the rapid increase, our government continues to pass laws which are completely opposed to what the Bible teaches – again the vast majority either fails to see this or, if they do, they don’t care, and so the list goes on.

So, the most important harmony right now is derived from our relationship with God. The apostle Paul wrote (Romans 5:19)

‘For just as through the disobedience of the one man the many were made sinners, so also through the obedience of the one man the many will be made righteous.’

It is what God wants for us: to live in harmony with Him; and there is only one way in which this can happen. We must realise that by ourselves we cannot become righteous but by His gift of His son, “the one man”, we can accept God’s gifts of salvation and eternal life. Now who in their right mind would say “No” to that?

NEW CHURCHYARD REGULATIONS

The Diocese of Oxford has recently introduced new churchyard regulations which are much more explicit about what may or may not be used to mark a grave or cremation plot, and require us to remove items which have not been properly authorised.

In particular, the following items are not allowed:

- any lighting, whether electric or otherwise
- any glass shades
- kerbs, fencing, railings or other demarcation
- stone or glass chippings
- individual gardens, including the planting of shrubs
- plastic flowers and wreaths (other than poppies of remembrance)
- toys or other objects which are not part of a properly authorised memorial

There are many such items in the churchyard at White Waltham at present. Under the new regulations these need to be removed and if you are responsible for any it would be very helpful if you could remove these items yourself. We do appreciate that this may not be an easy task but would be very grateful for your help and co-operation.

We have displayed notices, initially around the Cremation Plot Area and, in due course, in the churchyard as a whole, asking people to help us to adhere to these new regulations by removing these items. Any items which are not removed from the Cremation Area by 31 May 2018 will be carefully stored and can be collected by arrangement with Tony Hill on Tel. 01628 822654 or via email at hillhomewood@btinternet.com until 31 May 2019. After that time any remaining items will be disposed of.

The complete set of regulations is displayed in the church porch but you can also find them on the Churchyard Regulations page of the Diocese of Oxford’s website:

https://www.oxford.anglican.org/support-services/legal-diocesan-registry/churchyard-regulations/

At the time of writing this article the weather is warm and sunny; everyone can do all the things outside that gives so much enjoyment. We have a huge network of Public Footpaths in The Royal Borough with beautiful scenery. A third of our highway networks are Public Footpaths and last year we were awarded top acknowledgement in the South East. There are so many activities going on in The Royal Borough and many of them are on our doorstep.

There are a few updates residents should be aware of.

**Potholes in roads – campaign for October and November**

The council has a two-month campaign running throughout October and November to identify and repair potholes. This will ensure all borough roads are in the best possible condition before the winter. The team is actively seeking people’s involvement so we can fix the holes that they are most bothered by. Potholes can be reported online by going to www.rbwm.gov.uk and choosing the ‘report it’ tab or by calling 01628 683800. Alternatively, you can email us with details of the road/lane and exactly where the pothole is. Please do this as soon as possible so the team can add it to their list for October and November.

The team continues to fix potholes throughout the year. This eight week period is an intensive one that concentrates solely on pothole repair and preventative work.

**Changes to recycling reward scheme**

Residents will continue to earn rewards for recycling as the council and Greenredeem revamp the scheme to provide the same service at a reduced cost to Council Tax payers. Through the programme residents earn points for recycling waste at home and redeem them in local shops, restaurants and leisure facilities and can enter in to prize draws.

Currently points are calculated by weighing the recycling bin but from 2 July this will be replaced with a simpler system allowing residents to confirm their recycling with a one-click button via email. The change will ensure the Greenredeem scheme improves value for money while maintaining the many ways residents are rewarded for their recycling. In addition bonus points will be awarded based on both the amount of recycling and reductions in the general rubbish collected in their area.

Weekly bin collections set to continue
Veolia will continue to provide weekly waste and recycling services in the borough. There are no significant changes to the current weekly service.

Remember when going to the tip you do need your advantage card or verification of council tax. Also if you have a van residents will need to obtain a permit which can be done online.

New partnership tackles domestic abuse
The Royal Borough has extended its commitment to tackling domestic abuse (which includes controlling, coercive and threatening behaviour or violence) by entering into a new partnership with The DASH Charity to offer dedicated support and advice to families. The Royal Borough will do whatever we can to help individuals and families affected by domestic abuse.

The service provides independent advocates for adults and children who may be at risk of domestic abuse to help them to remain safe, as well as an outreach service. Having a dedicated advocate for children will help them recover from their experiences and move forward positively with their lives. This extended service will make a real difference to some of our most vulnerable residents offering them support when they need it most. If you are concerned about anyone or need to talk to an advisor you can contact The DASH Charity by emailing info@thedashcharity.org.uk or phoning 01753 549865.

Plans for Braywick Leisure Centre progress
Plans to build a new state-of-the-art leisure centre in Maidenhead have been given the green light as the Secretary of State confirmed the local authority is the correct decision making body for this application.

The planning application sets out the facilities and design for the brand new development which will be coming to Braywick Park and will feature:

- A 10-lane, 25m swimming pool with a 1.6m deep end and 1.1m shallow end.
- A larger training pool – almost twice the size of the Magnet.
- A larger splash area and larger pool changing village.
- 200-station gym (up from 150) and a separate health suite.
- Two dance studios and a spinning studio.
- Four squash courts that can be reconfigured into another studio space.
- Six outdoor netball / tennis courts.
- An 80-seat café with views of the pool.
- A replacement Pearce Suite hall to seat up to 650 people for events.
- A new nursery to reprovide Pixies.
- New soft play area.
- Improved accessibility for disabled users and sports teams.
- 500 parking spaces – twice as many as the Magnet.
- A 40m x 60m floodlit all weather 3G pitch.

It will open in December 2019 and will use 70 percent less energy than the Magnet. The outstanding design will blend in with the surrounding parkland.

A shuttle bus service from the town centre will help people access the site which will also have expanded car parking facilities and a space to host cultural events.

A new image showing designs for the children’s splash area is now released to give people a glimpse of what the new leisure centre will look like.

Below is an image of the new leisure centre - just in case you haven’t already seen it – a 32 million pound facility.

Remember, your Borough Councillors are involved in all aspects of day to day activity in the council so please do get in touch with us if you have any concerns.

Children, Young People and Families
at White Waltham Church

*Children and young people are welcome every Sunday*

On most Sundays children’s groups meet in church before moving to their separate activities during the service. There is a crèche for babies and a group for younger children in the Chapel Room in the church building. Older groups take place in our new building, The Tree House. On the first Sunday of each month the service is shorter and simpler.

At festivals, such as Christmas Day, Mothering Sunday and Easter Day, all ages meet together in a Family Service.
